Dues payments, contributions or gifts to the American Fraternal Alliance are not tax deductible as charitable contributions for federal income tax purposes. However, they may be tax deductible as ordinary and necessary business expenses subject to restrictions imposed as a result of American Fraternal Alliance's lobbying activities as defined by the Budget Reconciliation Act of 1993. American Fraternal Alliance estimates that the nondeductible portion of your 2019 dues – the portion that is allocable to lobbying is 8%.
